GRANDPARENTS AGAINST GUN VIOLENCE

Year in Review & the Year Ahead

We begin 2019 optimistically because of heightened awareness of gun violence and a commitment from many different stakeholders to focus on sensible gun legislation. GAGV's many accomplishments in 2018 are reasons for optimism, too. Consider what we did:

- Distributed 1,061 free gun locks to people representing 185 different zip codes through GAGV's **Lock It For Love (LIFL) program**. Some 39 GAGV volunteers staffed an information table at 49 different events.
- Organized the successful **5th annual Community Forum** featuring Candace Lightner, founder of Mothers Against Drunk Driving (MADD). Close to 300 people attended the event that was co-sponsored by the Heartland Coalition Against Gun Violence and its 35 community organizations representing 10,000 metro residents on both sides of the state line.
- Provided thought-provoking **monthly programs** on a wide spectrum of topics dealing with gun violence, each drawing an average attendance of more than 70 people.
- Added 54 new dues-paying members, bringing **GAGV membership** to 280.
- Included 685 additional **contacts to our database**, bringing its total to 1,771.
- **Solidified LIFL relationships** with Children's Mercy Hospital and KCPD, partnered with nine more metro area police departments and collaborated with three Suicide Prevention Coalitions.
- Participated and asked to speak at marchforourliveskc and other events sponsored by Students Demand Action, **bridging several generations** of activists.
- **Gave presentations and/or participated in panels** at the invitation of 14 groups throughout the metro area plus the state convention of Women For Kansas held in Wichita.
- Continued to be **recognized by local print and broadcast media** as a reliable source in reporting gun-related issues in the news.
- Upgraded **content and graphics** of the GAGV website (www.moksgagv.org) and the e-newsletter

Our 2019 goals are ambitious. With your help, they're achievable!

- Provide specific "*Acts of Advocacy*" our membership can undertake each month
- Continue attracting new dues-paying members
- Produce another signature Community Forum addressing gun violence, our 6th annual event
- Continue to expand successful Lock It For Love program throughout the metropolitan area.
- Apply for grants to help finance hiring a part-time administrative assistant
- Seek professional office space, donated or leased
- Expand our public profile by participating in more community events and building new partnerships with other like-minded groups.
